Young Antioch man killed in car crash

A 21-year-old Antioch man was killed last Friday night in a head-on car crash on Rte. 59, north of Grass Lake Rd. Steven J. Guardi of Katherine Drive was going north on the highway when, according to sheriff's deputies, his car went out of control and collided with a southbound car driven by Ellen Schuemelfeder, 50, of 107 N. Rte. 59, Lake Villa.

She was taken to Victory Memorial Hospital, Waukegan, and listed in stable condition.

The accident happened at about 8 p.m.

Obituary information on Mr. Guardi appears on page 19.

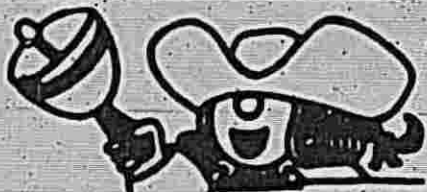

IN ANOTHER ACCIDENT, a car driven by 18-year-old Richard Smith of 745 Lake Ave., Antioch, left the road and flew through the air and came to rest against a building. Smith was listed in serious condition in Victory Memorial Hospital.

Deputy Gregory Huber said Smith's car was headed west on Rte. 173 at about 8:30 p.m. when it hit the guard rail on the Channel Lake bridge near Webb's Boat House, flew 54 feet and landed on its side with its wheels against Barney Shunneson's Tavern.

Smith received head and internal injuries. Also injured and in fair condition were Terry Simmons, 18, and Mark Simmons, 16, both of rural Antioch.

OLSON IMPLEMENT CHANGES HANDS. After 26 years, brothers Stewart and Jim Olson are turning their business over to new management. As of today, the firm on Rte. 173 and Deep Lake Rd. will be known as

NOR-MAL INTERNATIONAL Inc. The new owners are (from left) Alan Bednar, Norbert Hiller and Max Malone. At the right are Jim and Stew Olson.

Olson Implement has new management

One of Antioch's best-known firms, Olson Implement Co., is under new management today.

After 26 years, brothers Stewart and Jim Olson are turning the business over to three other men.

The firm will be known as NOR-MAL INTERNATIONAL Inc., but will still handle the same lines of International Harvester farm equipment and trucks. Also, Hesston hay and forage equipment and Homelite chain saws.

THE NEW MANAGEMENT includes Norbert Hiller,

who has been a farmer in the Johnsburg area for 27 years; Max Malone of Sycamore, Ill., who has been associated with the agricultural business for 20 years, and Alan Bednar, who has worked for the Olsons the last 12 years.

Mr. Malone will be general manager and Mr. Bednar parts manager. Both will work in sales, along with Stew Olson who will stay on as sales manager.

Marion DeLabio, the firm's bookkeeper the last nine years, also is remaining with the firm.

"We'll be handling International Harvester outdoor power equipment, garden tractors, mowers, trucks and Scouts," said Mr. Hiller.

Plank charms Antioch audience

In the off-season, when they can't win six games in a row, the Chicago Bears can keep their fans happy by sending out players like Doug Plank.

The 25-year-old defensive star did a good public relations job for the football team when he talked to members of the Antioch Lions Club and their guests Monday night.

Following dinner at Andre's Steak House in Richmond, Plank spoke pleasantly and humorously for several minutes. Then he showed highlights of the Bears' victory over Minnesota, in which Walter Payton ran for 275 yards. The most interesting session came when Plank answered questions from the audience.

HARRY ROBIN, A MEMBER of the County Board and candidate for sheriff, asked Plank if he thought the Bears would "afford a superstar like Payton."

"I don't know," answered Plank. "I wouldn't want to have to be George Halas or Jim Finks negotiating with Walter."

"But I just signed," he said, with the sense of humor he showed throughout the evening, "and when I got done

there was plenty of money left over for Walter."

PLANK ALSO WAS optimistic about the Bears' chances for continued improvement.

"I don't see any reason," he said, "why we can't go 9-5 or better if we keep Walter Payton's pockets filled with money and keep him healthy. Then, anything can happen."

The Lions (Antioch's, not Detroit's) applauded.

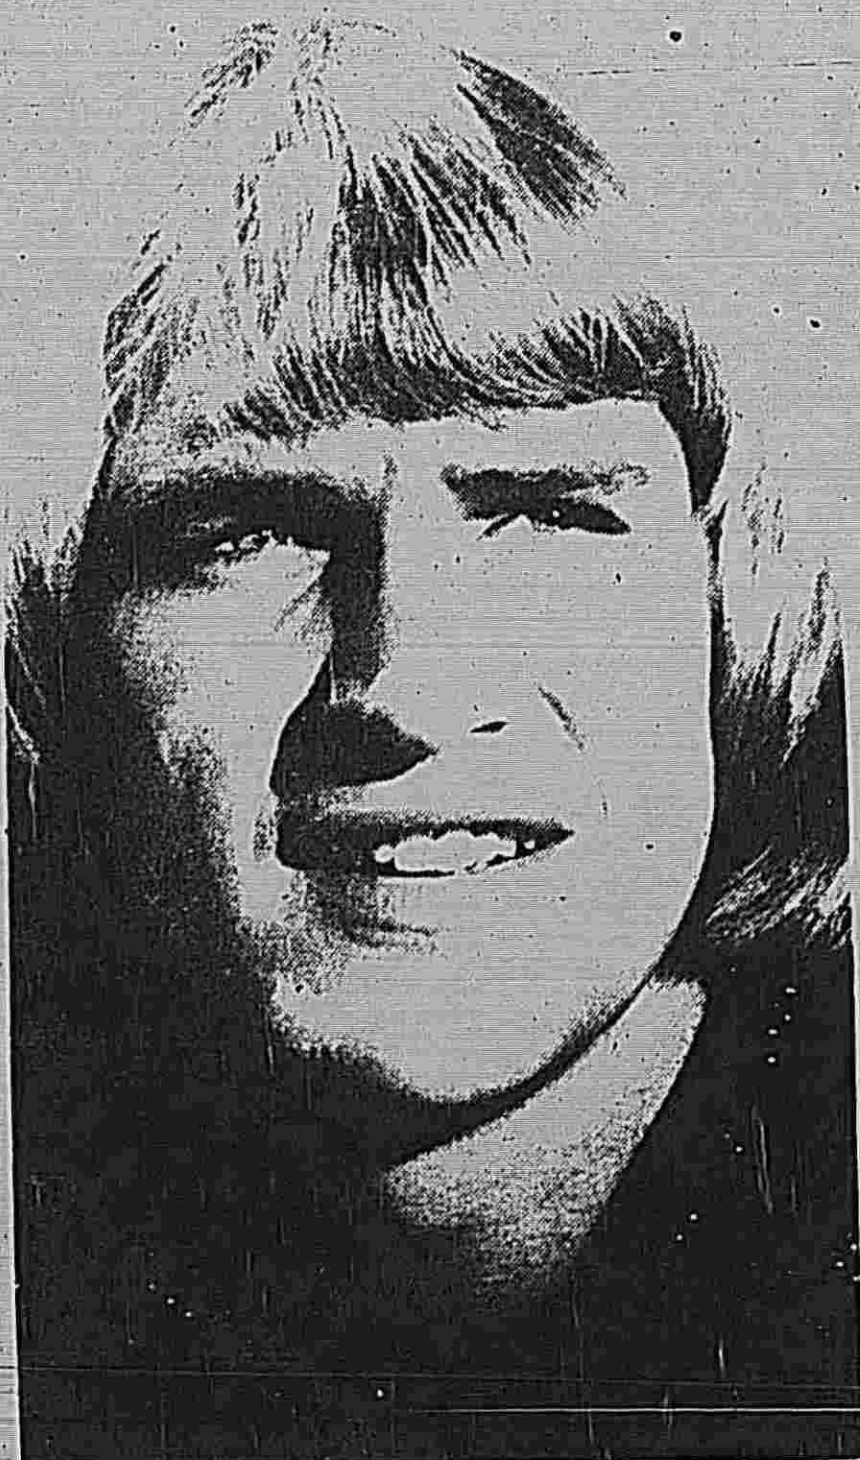

When someone asked, in jest, when quarterback Bob Avellini would become "as great" as Bobby Douglas, it gave Plank a chance to jump to Avellini's defense.

"BOB LOST 15 POUNDS by going on a wheat germ diet," Plank said. "I think he's improving his quickness and speed. His biggest asset is his cockiness and willingness to stick in there."

"What do you think of Howard Cosell?" asked attorney Andy Lynch.

"Very little," laughed Plank. "Gary Fencik, my

partner at the safety position, had Cosell as a teacher at Yale and never saw a man so nervous ... his hand shakes when he lights a cigarette. I don't know too many people who are crazy about Cosell, but he's done a lot for publicizing sports."

PLANK PLAYED COLLEGE football at Ohio State, appearing in three Rose Bowl games and sending the Buckeyes to the 1974 Rose Bowl by making a game-saving tackle against Michigan on the one-foot line.

He joined the Bears as a lowly, 12th round draft choice. He said he was happy being drafted by a team he could play for, rather than his home-state Pittsburgh Steelers. "If I had been drafted by the Steelers at that time, I might just have been passing through," he said.

"THE BIG DIFFERENCE between college and pro football, coming from Ohio State," Plank joked, "is that I'd have to say you get paid less. I didn't realize George Halas' idea of a 'free safety' was a safety man who played for nothing."

Woody Hayes, Ohio State's coach, told him, Plank kidded, "in pro football the facilities aren't as nice." "I didn't know Woody knew I was going to Chicago," Plank said in a smiling dig at Soldier Field.

PLANK SAID HE DOESN'T think the Bears' new coach, Neill Armstrong, is going to "turn the franchise over as Jack Pardee did. No more 47-0 losses," he predicted.

He said he thought Pardee "committed professional suicide by going down to Washington where they have about 42 godfathers."

He also defended the Bears' "one-man offense," saying:

"When you have the leading rusher in football, what can you do except give him the ball as many times as you can? Maybe our offense wasn't imaginative, but we won our last six games, so it must have been efficient."

PLANK SHOOK HIS HEAD when he talked of the beating the Bears took from Dallas in the playoffs.

"That was like running into a brick wall," he said. "I think Dallas probably played their best game of the entire year against us."

Antioch High School's superintendent, Warren Polley, and football coach, Steve Wapon, won a football

autographed by all of the Bears.

Plank seemed in no hurry to leave Antioch as he signed autographs and posed for pictures with all those who surrounded him.

After the party at Andre's, he went with Lions Club president, Don Morris, and Bill Georgeson, owner of the World Famous Village Pub, to the popular tavern that was packed with a standing-room-only crowd.

Doug Plank never stopped being casual, obliging and full of witty remarks.

If the Bears keep improving, he'll probably be even more so next fall.

30 have chance for scholarships

Thirty area high school students are included in the competitive Illinois State Scholar program for 1978-79.

High school academic records and examination scores are used to select the "state scholars."

All 30 will receive certificates of merit from the state scholarship commission. Winners in that competition will receive up to \$1,550 for use toward 1978-79 college tuition.

The Illinois State Scholars for this area are:

Antioch: Gregory Allen, Margaret Bessette, Dennis Burris, Colleen DeVries, Neal Fossum, Susan Groth, Lynette Hamlin, John P. Hancock, Judith Hayden, Beth McClellan, Mary Miles, Walter Nowakowski and Doreen Wurster.

Lindenhurst: Angela Bellisario, Tammy Broussard, Timothy Gerhardt, Elliot Haber, Michael Herbert, Kathleen Neubauer, Linda Pansczyk, Matthew Payne, Patricia Peetz and Keith Rezin.

Many voters have new polling places

By GRACE MARY STERN
Lake County Clerk

Lake County voters are being urged to examine their new voters' identification cards sent out during January and February by the county clerk's office.

Don't just cut it out and put it in your wallet - look at it! You, like every other registered voter in Lake County, have a new precinct number. And it is quite possible that you, like a lot of other registered voters in Lake County, also have a new polling place.

Look at the I.D. card and see where your polling place is so you don't start off for the wrong place on election day.

WHY HAVE SOME of the polling places been changed? If you are closer to your new one than you were to the old one, you probably don't care - but if you're farther away, you probably care a lot. The county board, which adopted the "voting zone" system, and the county clerk who is implementing it, want you to understand what it's about.

Lake County is growing larger all the time, and that means more families, more people, more registered voters. And more registered voters mean more precincts.

But each time the county board creates another precinct, it means additional costs for voting equipment, for salaries of election judges and for increased printing and trucking expense.

At a time when it is struggling to find enough money for such people-oriented concerns as the county nursing home, the county board is also faced with rising costs in every other aspect of government, including elections. Growth is costly.

THE VOTING ZONE PLAN, which has created the needed additional precincts, has been drawn with an eye to controlling that extra expense. Instead of having each precinct in its own polling place, the voting zone will bring together two or three precincts in one polling place - perhaps a school gymnasium or cafeteria. This means more precincts but fewer polling places.

It means you may have to go a little further to vote, but not a lot further. It means the county will be spending a little more money to arrange the larger polling place, but not as much more as would have been necessary under the old format.

THE EXTRA BLOCK you, the voter, may walk to vote on Tuesday, Mar. 21, may save you, the taxpayer, several dollars.

Take out your new voter's I.D. card - see where you will go to vote on Mar. 21 - and plan to get there. If you plan to drive, offer to share the ride with a neighbor who would otherwise walk. If you think you will need a ride, ask your neighbor for a lift. Or ask your precinct committeeman, or a friend who is running for local office.

Perhaps this new voting zone plan is just what Lake County needs to remind us of what neighbors are all about.

Plastic surgery? Try the toy department

By JERRY PFARR

A few years ago, humble, absent-minded intellectual that I am, a stoplight turned green and I failed to notice. I had been pondering the theory of relativity, but the lady in the car behind didn't realize the importance of my thought.

She honked furiously, returning my mind to the task of proceeding through the intersection. Spinning her wheels, she whipped around me and, although I smiled with all the charm I could muster, she screamed:

"Where did you get your driver's license? Sears and Roebuck?"

WELL, IT BROKE me up. I mean, she had given me the perfect squelch. Even though she was angry, she had administered the "coup de grace" and I laughed. Her remark has amused me ever since.

Until the other night ... when I saw a television commercial, informing us that we can now buy our

Mike Teeley receives state Jaycee honor

Members of the Antioch Jaycees attended the Jaycee state convention in Homewood-Flossmoor.

In addition to a business meeting, there was a banquet honoring 10 outstanding young people of Illinois. Among the 10 honored was one of Antioch's Jaycees, Michael D. Teeley.

MR. TEELEY WAS HONORED as the "most outstanding young educator in Illinois." He is environmental education director of Antioch Grade School District 34. Mr. Teeley spends many hours lecturing to groups and conferences throughout the state in addition to working with his students in Antioch.

The award was based on his activities related to environmental education since 1969 when he helped stage the first ecology teach-in in the history of the University of Michigan-Dearborn.

MIKE HAS ALSO BEEN active as a member of the Environmental Education Association of Illinois as current chairman-elect, the National Association of Environmental Education, and the Michigan Environmental Education Association.

In addition to teaching CCD at St. Peter's for three years, he has been active in the Jaycees and recently assumed the position as state chairman of the

Energy-Environmental program for the Illinois Jaycees.

HIS INVOLVEMENT in the Jaycees has given him a vehicle to better serve the community of Antioch as a worker on the numerous community service projects run by the local chapter.

"The Antioch Jaycees are proud to be able to offer recognition to the young men who take the time and effort to better our community," a spokesman for the club said.

Democrats to meet in Waukegan

Lake County Democrats will hear candidates in contested Democratic primary races at its next Central Committee meeting Thursday, Mar. 9, 8 p.m. at the Slovenic Home, 424 10th St., in Waukegan.

The Mar. 9 meeting will be the last Central Committee meeting before the Mar. 21 primary election. It is not expected that the county group will endorse candidates in the primary election.

"We have tried always to keep the primary election an open process, so that committeemen and voters can support candidates on an individual basis - it's worked all right in the past, and I'm sure it will work out this time," Matijevich said.

Don Jackson, 1505 North Rd., Lake Villa, is pictured here with the 9½ foot, 225 lb. shark he entered in the Metropolitan South Florida fishing tournament. He fished out of Miami Beach with Capt. Coni Mira on the Coni M IV as guide. Also pictured is his wife Chris and daughter Vicki. He will be awarded a citation for catching the "Great Golden Hammerhead" shark. Mr. Jackson is assistant vice-president of the Antioch Savings & Loan Assn.

Career Fairs at CLC

To provide an "up-close and personal" look at possible career options for students and persons returning to the job-market, the College of Lake County counseling center will sponsor two "career fairs" in March.

The fairs are scheduled

Wednesday, Mar. 8, from 10 a.m. to 12:30 p.m., and Tuesday, Mar. 28, from 6:30 p.m. to 9 p.m.

Both fairs are open to the public and will be held in the Orange and Blue courts of the main campus building.

Frank Nickels, CLC counselor said the fairs will

provide opportunities for personal discussion on a one-to-one basis with more than 40 representatives from the fields of business, industry, health and personal services.

For additional information call CLC's counseling center at 223-6601, ext. 403.

Deficit forecast for District 34

An operational deficit of about \$233,000 by June 30, 1979, has been forecast by Superintendent Henry Meyer of Grade School District 34 in his "state of the district report."

"The future does not look good for elementary districts unless the state aid formula is changed considerably," Meyer said in his report. "Our increased assessed valuation per pupil is not giving the schools any appreciable increase in revenue. As assessed value goes up, the state aid goes down ... resulting in a greater share of the educational costs being shouldered by property tax and less by the state."

"The end of fiscal year 1972-73 showed the combined operational funds to be in the red by \$170,000," Meyer said. "By drastically cutting programs and by increasing the education tax rate, this deficit was cut down to only \$15,000 in the red by June 30, 1975."

Total operational funds on June 30, 1977, showed a deficit of \$29,000 with an anticipated positive balance of \$50,000 for June 30, 1978.

"THIS APPEARS to be a financial gain of some \$80,000 but there is actually a loss of ground by approximately \$100,000," Meyer said. "This is because our average daily attendance decreased and because our assessed valuation greatly increased. We will be overpaid in state aid this year by \$150,000. This \$150,000 will be deducted from next year's state aid which, in effect, will give us a double bump."

"This is a major part of the reason for the extended deficit of \$233,000 by June 30, 1979. This \$233,000 is predicted on an 8.5 percent assessed value increase, and an 8 percent increase in non-salary items - except for capital outlay which was almost cut entirely."

"This \$233,000 is also predicated on present staff and present salaries."

"Since the school board has directed the administration to work toward a balanced budget for 1978-79, the \$233,000 deficit figure is used simply to illustrate the deficit by next June 30 if the status-quo is maintained."

WE HAVE DISCUSSED with two state legislators, the possibility of a state aid formula change," Meyer said. "Although neither of them could predict the final outcome, both thought there would be some kind of change. Assuming a formula change, with the two changes most likely to be considered, would give us additional revenue in the amount of \$78,000. Therefore, even with a favorable outlook and a status-quo program, we would likely wind up June 30, 1979, with an operational deficit of \$150,000, at best."

REGARDING "STUDENT HOUSING," Mr. Meyer reported:

"The addition and life-safety work on the Antioch lower grade building is near completion. The electrical contractor still has several items to do, especially the completion of the fire alarm system. It works and is safe but it has not been completed."

"The life-safety work and additions on the Oakland building are ready for contracts. It appears now that there will be sufficient funds from interest and the original allocations for the learning centers at both Antioch and Oakland to be adequately furnished."

"The Upper Grade School is in excellent physical condition, except for the heating and ventilating system which has always given some problems."

"Presently it appears that the site for the new K-5 building will be just to the north and west of the Upper Grade building, with a target date for completion of August, 1979."

"BEFORE THE BOND referendum for the new building and Oakland addition," Meyer said, "the people were told that the Channel Lake school would be closed when the new school opened and that the Channel Lake gym and kitchen would be maintained as a community

meeting and recreation area. The rest of the Channel Lake building would be used as a warehouse, thereby freeing up the old 1892 building downtown so it could seriously be considered for lease to some responsible agency as a historical building."

Enrollment growth throughout the district averages 5 percent per year over the past 10 years, with no enrollment growth over the past five years, Meyer said.

"Enrollment in our district is practically impossible to predict," he said. "Most districts are experiencing decline in enrollment while District 34 has been up and down over the past several years."

"On Jan. 3, 1978, there were 1,690 children enrolled in District 34. It is my opinion that the decline in birthrate has had its effect and that our school population will increase slowly for the next five years, perhaps on an average of about 2 percent per year."

THE ENROLLMENT FOR the new K-5 building was to be made up of those children living on or west of Tiffany Rd. At present this amounts to 127 children now attending the Antioch lower grade and 142 attending Channel Lake school. These two groups would make the initial population of the new school approximately 270 students.

Also included in the shift were to be 196 children attending Oakland and living north of Route 173. These were to go to the Antioch building, thereby relieving Oakland of its over-crowding. However, the 196 students to be transferred to Antioch is, 69 more than the 127 Antioch students living west of Tiffany Rd. Depending on the population shift by 1979, it may be necessary to use some line other than Tiffany Rd. as the dividing line, Meyer said.

Fire Department makes inspections

"Inspections can save your life," says Captain Jimmie Quedenfeld of the Antioch Fire Department.

Quedenfeld is the officer of the department responsible for fire prevention and inspections. He and his staff are now conducting their semi-annual inspection of all businesses located within the village limits.

The inspectors walk through the premises with the owner, or his representative, to assist them in spotting potential hazards. A complete report is made out, with a copy given to the owner and, if necessary, a follow-up is planned.

The inspectors make recommendations when it is felt that a change or correction should be made. They also advise the owner, or his representative, to contact the building inspector if it is felt his assistance could be used.

CAPTAIN QUEDENFELD ALSO plans to conduct

inspections in the fire district (township) as soon as his team has completed the village. He will also conduct home inspections if requests are made.

The inspectors are available to speak to school groups, clubs or organizations if requested, concerning fire prevention and safety inspections.

Captain Quedenfeld is asking all business people and homeowners to see that fire hydrants are kept clean of snow during the winter months.

ALL INSPECTORS ARE in uniform and carry identification cards.

If you desire an inspection, or have a question, contact the fire department at 395-0690, or Capt. Quedenfeld at 395-1355.

ANTIOCH GIRLS WHO PARTICIPATED in the Waukegan YMCA's 48-hour "Swim-a-Rama" received a donation from the State Bank of Antioch. Making the presentation was Dolores Pierce, assistant cashier. First row, from left: Colleen Kelly,

Cindy Morris, Kim White and Kirsten Kelly. Second row: Kaky Kelly, Kim Nicholl, Ann Ivy, Kerry Kelly, Katie Shepard and Brandy Nicholl. Third row: Julie Wierschem, Margaret Ivy, Jeanie Cilik, Dolores Pierce, Karen Shepard and Judy Houghton.

Local swimmers set 48-hour records

Members of the Antioch Swim Team, sponsored by the State Bank of Antioch, contributed 307 miles to the total of 1,578 covered by participants in the annual Waukegan YMCA "Swim-a-Rama."

The event is held to raise money for the YMCA swim program. Antioch youngsters, who compete at the Aqua Center here during the summer, swim at the Waukegan pool during the winter months.

The State Bank donated \$200 for their efforts in the 48-hour "Swim-a-Rama."

Jack Fields, 17, of Antioch, broke the boys' record by swimming 55 miles in the 48 hours. The old mark was 51 miles.

Jeannie Cilik and Karen Shepard of Antioch, a pair of 15-year-olds, swam 36½ miles each to break the previous girls' record of 36¼.

Unwed mothers program is topic of talk here

Sister DePazzi of St. Therese Hospital will speak to St. Peter's Women's Club at its regular meeting on Tuesday, Mar. 7.

She will explain the work of the STAFFER program at St. Therese, which aids unwed expectant mothers in Lake County.

STAFFER means "St. Therese Alternate Finds Friendly Employment and Residence."

Young women in the program are placed in jobs whenever possible, making them independent and self-sufficient while awaiting the birth of their child.

They are also offered a place of residence during that time if they find it difficult to live at home.

If a young woman in the program decides to keep her baby, she can depend on the STAFFERS to assist her with baby clothes, medical care for herself and the baby, and assistance with other needs she might have. Should she decide not to keep her baby, the STAFFERS assist in

getting the baby placed with adopting parents.

The program is financed completely by donations. Therefore, St. Peter's Women's Club is sponsoring a baby shower in conjunction with Sister DePazzi's visit. Members are asked to bring new, or clean used, infant's wear to the meeting, as well as other items needed for the mothers who decide to keep their babies. Cash donations will also be most welcome. If unable to attend the meeting, persons can bring contributions to the rectory prior to Mar. 7.

Women's Club members and guests will assemble in the church at 7:30 p.m. for benediction, and the meeting will begin at 7:45 p.m. in the church hall.

ACHS views life-safety drawings

The Antioch High School board of education reviewed life-safety drawings with architect Wayne Machnich. The plans will now be finalized and put out for bid.

The board set Saturday, Apr. 8, as a meeting date to review bids and award contracts.

In other business the board scheduled a special meeting for Thursday, 7 p.m., to review student discipline and personnel. Also, the regular board of education meeting was moved from Mar. 23 to Mar. 16.

The board approved the Title I summer reading

program application submitted by Principal Arthur E. Blecke.

A board committee composed of Robert M. Lindblad, Bette M. Meyer and Charles J. Forster chose Thursday, Apr. 13th for the first meeting date to begin negotiations for 1978-79 with the teachers' negotiating committee.

The date was one of four suggested by Antioch Teachers Association president Stephen R. Wapon.

Antioch swimmers place in 'Y' meet

Several Antioch area swimmers, representing the YMCA of Greater Lake County, placed in the eighth annual Northern Illinois YMCA "novice" swim meet at the Evanston High School pool.

The meet was for swimmers ages 5 thru 12 who completed on Y swim teams during the year, but did not achieve the YMCA district standard qualifying time in one or more events.

Again this year the meet drew around 2,000 entries, with most events having over 60 participants. Medals were presented to the top three finishers in each event, with ribbons awarded to places four thru twelve.

THE ONLY MEDAL WINNER from Antioch was Matt Ludwig, who finished third in the prep boys group (11-12) 50-yard butterfly.

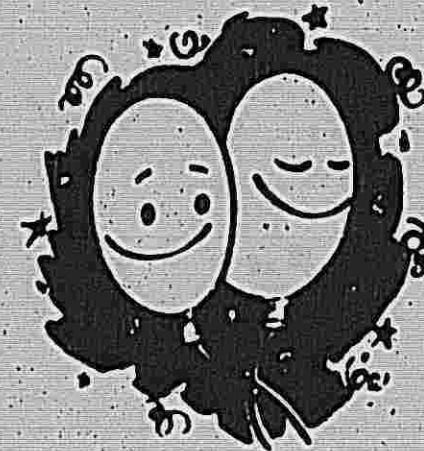

Three local youths placed in more than one event. Brandy Nicholl finished sixth in both the midget girls group (9-10) 50-yard breast stroke and 100-yard freestyle.

Her sister, Kim Nicholl, placed seventh in the prep 50-yard breast stroke and tied for 11th in the 100-yard freestyle and Ann Ivy placed eighth in the prep girls 50-yard breast stroke and ninth in the 200-yard individual medley.

KERRY KELLY, SWIMMING in the prep girls 100-yard freestyle, tied for 11th.

Heat ribbons were awarded to each winner in a six-person heat, and along with those mentioned previously, Antioch area winners were Tom Nicholl and John Wierschem.

Other Antioch youngsters swimming for the "Y" team are competing in one of the four state district meets, attempting to qualify for the state meet to be held in Peoria in mid-March.

damaged as a result of the stroke.

March is observed nationally as Easter Seal Month and the stroke syndrome is one of the disabilities focused on by the National Easter Seal Foundation.

Pamphlets on the stroke syndrome can be obtained at pharmacies distributing the newsletter, "To Your Health."

Participating area pharmacies include Antioch Drugs, 480 Orchard Plaza.

William Mendrala, registered pharmacist, said:

"In addition to maintaining a good diet, good nursing care and a prescribed set of physical exercises are critical in restoring the stroke patient to his pre-stroke condition. It is also helpful for the caring partner to understand that good communications can play a critical role in assisting the patient to a normal, functioning life."

FEATURED PLAYERS in "Aladdin's Magic Ring," opening Saturday night at the Upper Grade School, are Michael Woolner (standing) as "The Genie," Dave Pinkham (seated at left) as Rodu, Aladdin's brother, and John Woolner (right) as Aladdin. See the advertisement on the next page.

'Godspell' opens here on March 18

A celebration is coming to Antioch in the form of "Godspell," which will be presented by The Fools' Players in "The Theatre in the Church" - namely the

United Methodist Church of Antioch.

Dates are Mar. 18, 19, 20, 21 and 22. Curtain time is 8 p.m. each day.

"Godspell is not a play. It is a celebration, and it will be celebrating Easter Week," said director Bryan Sorensen. "Godspell is a Godsend - a genuinely joyous celebration of life and love and laughter in song and dance, in words and music that sing themselves at the top of the singers' hearts. It is a musical adaptation of the Gospel of Matthew. It is bright, happy and funny."

"If the idea of using one of the books of the New Testament as subject matter for a musical appears startling, remember that present day theatre itself grew out of the miracle plays of church ritual gradually turning to secular interpretation. So Godspell actually stems from gospel," said Sorensen.

Sorensen, of Antioch, has been in the acting, directing and musical field for years. Ken Smouse, Antioch, director of drama from Antioch High School and PM&L Theatre president, is producer under the auspices of "The Fools' Players." Tracy Teltz, Antioch, is pianist.

The young cast members have all been involved with high school, college or community theatre in the area. Mike Petersen from Wildwood plays the role of Jesus. Doug Kondziolka, Mundelein, plays the John the Baptist-Judas role.

The other eight cast members are Donna Lusch from Waukegan; "Bodge" Burinski from Mundelein; Andrea Knickerbocker from Trevor; and Jenny Besse, Rosline Scheske and Keith Boehm, Antioch. Also, Lee Ramey from Waukegan and Richard Echeandia from Lake Villa.

Tickets are \$2.50 for all ages. Reservations can be made by calling 395-1259.

A LARGE CAST of children, and some adults, will perform Saturday night and Sunday afternoon in the production of "Aladdin's Magic Ring," presented by the Antioch Parks and Recreation department

along with PM&L Theatre. Some of the cast members are pictured above. The play will be performed at the Upper Grade School, 7:30 p.m. on Saturday and 2 p.m. on Sunday.

'Magic Ring' does wonders in play

"In the days long past there was a town nestled in the hills.

"The townspeople went about their daily business of selling and shopping.

"A young boy, Aladdin, and his brother, Rodu, played a harmless game of stickball. Accidentally, they ran into a villain, who was looking for a flying carpet. They discovered the only way to get one was to summon the Genie of the land."

That's director Charlie Brown's way of introducing the play, "Aladdin's Magic Ring," which will be performed Mar. 4-5-11-12 at the Upper Grade School. Mr. Brown continues:

"In order to summon the Genie, one must have the magic ring which, at that moment, is owned by the princess, who is unaware of its powers. Eventually, it ends up on Aladdin's finger after he befriends the princess.

"From that moment on, Aladdin has one adventure after another that leads to the Genie, whose magic ring brings toys to life and performs other feats."

Curtain time is 7:30 p.m. this Saturday and 2 p.m. on Sunday.

Tickets will be sold at the door: \$1.50 for adults, \$1 for high school students and 50c for grade school children. Pre-schoolers will be admitted free.

Band Parents to attend dinner-theater Mar. 10

The Antioch Grade School Band Parents Association has tickets for the dinner and theater package, Friday, Mar. 10, at Andre's Steak House, Rt. 12, Richmond.

The cost will be \$12.50 per person including tax and tip. Dinner will be a choice of red snapper or butt steak to be served at 6 p.m. and the play, "How the Other Half Loves," will be at 8 p.m.

"We hope all our supporters and friends can make it for a night of fun while helping the band program," said Mary Fries, a spokesman for the band parents.

Astro- Analysis

By Sonia

ARIES [March 21-April 19] - Curb your tendencies to be overly outspoken; find a tactful means of expressing your independence. Personal relationships should be cherished now, share special times with loved ones.

TAURUS [April 20-May 20] - Consider new possibilities that offer refreshing changes. A good week to give serious thought to throwing out old methods, ideas and developing new tactics.

GEMINI [May 21-June 21] - Although you may want to view your own affairs with objectivity you may be too close to the situation. Get the opinion of one whose judgment you trust.

CANCER [June 22-July 21] - Be more practical with new undertakings; resist taking on added responsibilities. There's a tendency to overwork so watch health matters; reserve time for leisure.

LEO [July 22-August 21] - Increased activities enhance popularity, magnetism. Someone with special appeal is apt to cross your path now as romance is heightened.

VIRGO [August 22-September 22] - A change of residence is indicated; take plenty of time to consider all aspects of present situation before making final decisions that may involve others.

LIBRA [September 23-October 22] - Establishing good ties with kin is important now, take the time out to make that short trip if necessary. By communicating with others you are in a better position to develop stronger ties.

SCORPIO [October 23-November 21] - Most financial matters can now be handled with success. Use your good business judgment when considering new offers or opportunities.

SAGITTARIUS [November 22-December 21] - A favorable week to embark on new projects, concentrate on self-improvement. Your optimistic views are encouraging to others. Use the week constructively.

CAPRICORN [December 21-January 20] - A bit of finish is needed on neglected work before becoming involved with new activities. Study future plans carefully and use some reserve, a time to slow down the pace.

AQUARIUS [January 21-February 19] - Community affairs can be rewarding and enhance social activities. New acquaintances can prove beneficial in business deals.

PISCES [February 20-March 20] - Promotions are indicated; make contacts with top people who have the final say. As career interests still hold precedence, devote the necessary time to further aims.

Apaches host district mat meet Saturday

Antioch's Upper Grade School wrestling team finished its dual meet season with a 39-17 victory over Carl Sandburg school.

Winning by falls for the Apaches were Frank Heiselman, Greg Pahlke, John Oelker, Andy Lehn and George Bessette.

Scoring decisions for the Antioch team were Tad DeRousse, Bill Carney and Steve Case.

Coach Ken Anderson's Antioch wrestlers finished the dual meet season with a 9-3 record.

They now will enter state tournament competition, beginning by hosting a district meet here. Matches start at 9:30 a.m. Saturday and visiting teams will be Shady Lane, Big Hollow, Lake Villa, Lake Zurich and Sandburg.

Top wrestlers will advance to a Mar. 10-11 sectional meet at Grant High School in Fox Lake. The state finals for the Upper Grade School athletes will be Mar. 17-18 in Decatur.

Among Antioch's top hopes, with their records in parentheses, are Bessette (24-1), Heiselman (18-6), DeRousse (19-3), and Pahlke (22-3).

Happenings

THE SECOND session of the Antioch Recreation Department's pre-school will begin next Tuesday, Mar. 7.

Sue Koppa, coordinator, can be contacted at 395-2160 by interested parents.

"We are planning a field trip for Easter time to Lamb's pet/farm for our little friends, and Moms. Watch for further information," Mrs. Koppa said.

Another young people's bowling class begins today.

Men's recreation night will continue until Apr. 4th and the indoor soccer program will be running until spring.

The sawmill meeting planned for today is being changed to Mar. 15.

THE NEXT regular meeting of the Chain of Lakes-Fox River Commission will be held on Friday at 2 p.m. at the Fox Lake village hall on Route 59 in Fox Lake.

Emmons cagers' win conference

Emmons Grade School has won eight consecutive 8th grade conference basketball championships and five straight 7th grade titles. Over the last eight years the 8th grade has a conference record of 91-2, while the 7th grade has compiled an 89-3 record.

Some good athletes have come through the small school just south of the village. For example, three Antioch high school varsity starters, Bill Dubek, Tracy Sodman and John Eder, played for Emmons four years ago.

"The one thing I really have enjoyed, is that all the boys have remained my friends," said Mike Mitchell coach for the 8th grade the last eight years. "My real hope is that they are happy in life. We try to teach them that character is more important than ability, but ability helps."

THIS YEAR THE TRADITION has carried on. Statistically, the 8th grade team was led by Steve Sheedlo who averaged 13.1 points a game and led in seven other areas. Sheedlo compiled a team high free throw percentage, 70 percent; total points, 302; assists, 66, and steals, 68.

Al Coons led the team in rebounds, 226, and field goal percent, 45.5 while averaging 6.4 points.

Bob Thain was second in scoring with 7.2 points a game, 40 assists and third in field goal percent, 41.3.

Scott Poulter averaged 6.3 points a game and finished third in almost all categories.

Others making key contributions were Rick Ranney, 5.4 points per game and 40 assists, and Chris Willems 4 points per game. The team had a 18-6 overall record.

ON THE 7TH GRADE level, Tim Hartokolis was the leading scorer with 9.6 points a game, followed by Craig Sheedlo 6.7, Frank Mahar 6.4, Steve Haase 5.7, Luke Kuligoski 5.3 and John Mahar 3.7. Sheedlo led in percent

from the field, 45.7, assists, 25, and steals, 43.

Frank Mahar was the team's leading rebounder with 162, followed by his brother, John, and Hartokolis, each with 108.

Luke Kuligoski was second in assists and steals with 23 and 35 respectively. Eddie Kuligoski led the team in free throw percent, 66.7.

Coach Chuck Spillner's team posted an 18-3 overall record.

Spillner said:

"This was one of the best groups I've had in my five years as assistant coach. They were always mentally ready to play and were the best passing team I've seen on this level."

HAPPENING

ANTIOCH'S American Legion Auxiliary recently celebrated its 50th birthday.

Colleen DeVries and Sue Rathmann were welcomed into the adult group of the auxiliary. They were presented pins that had belonged to their grandmothers.

Commander DeVries presented Floyd Horton with a lifetime membership for the help he has given the Legion members over the years.

4 Sequoits are league all-stars

Four members of Antioch High School's basketball team have been named to the 12-player all star squad.

They are Brian Andrews, Bill Dubek, John Eder and Tim Huebner. The four seniors helped the Sequoits finish with a 16-0 record as they won the North Division championship.

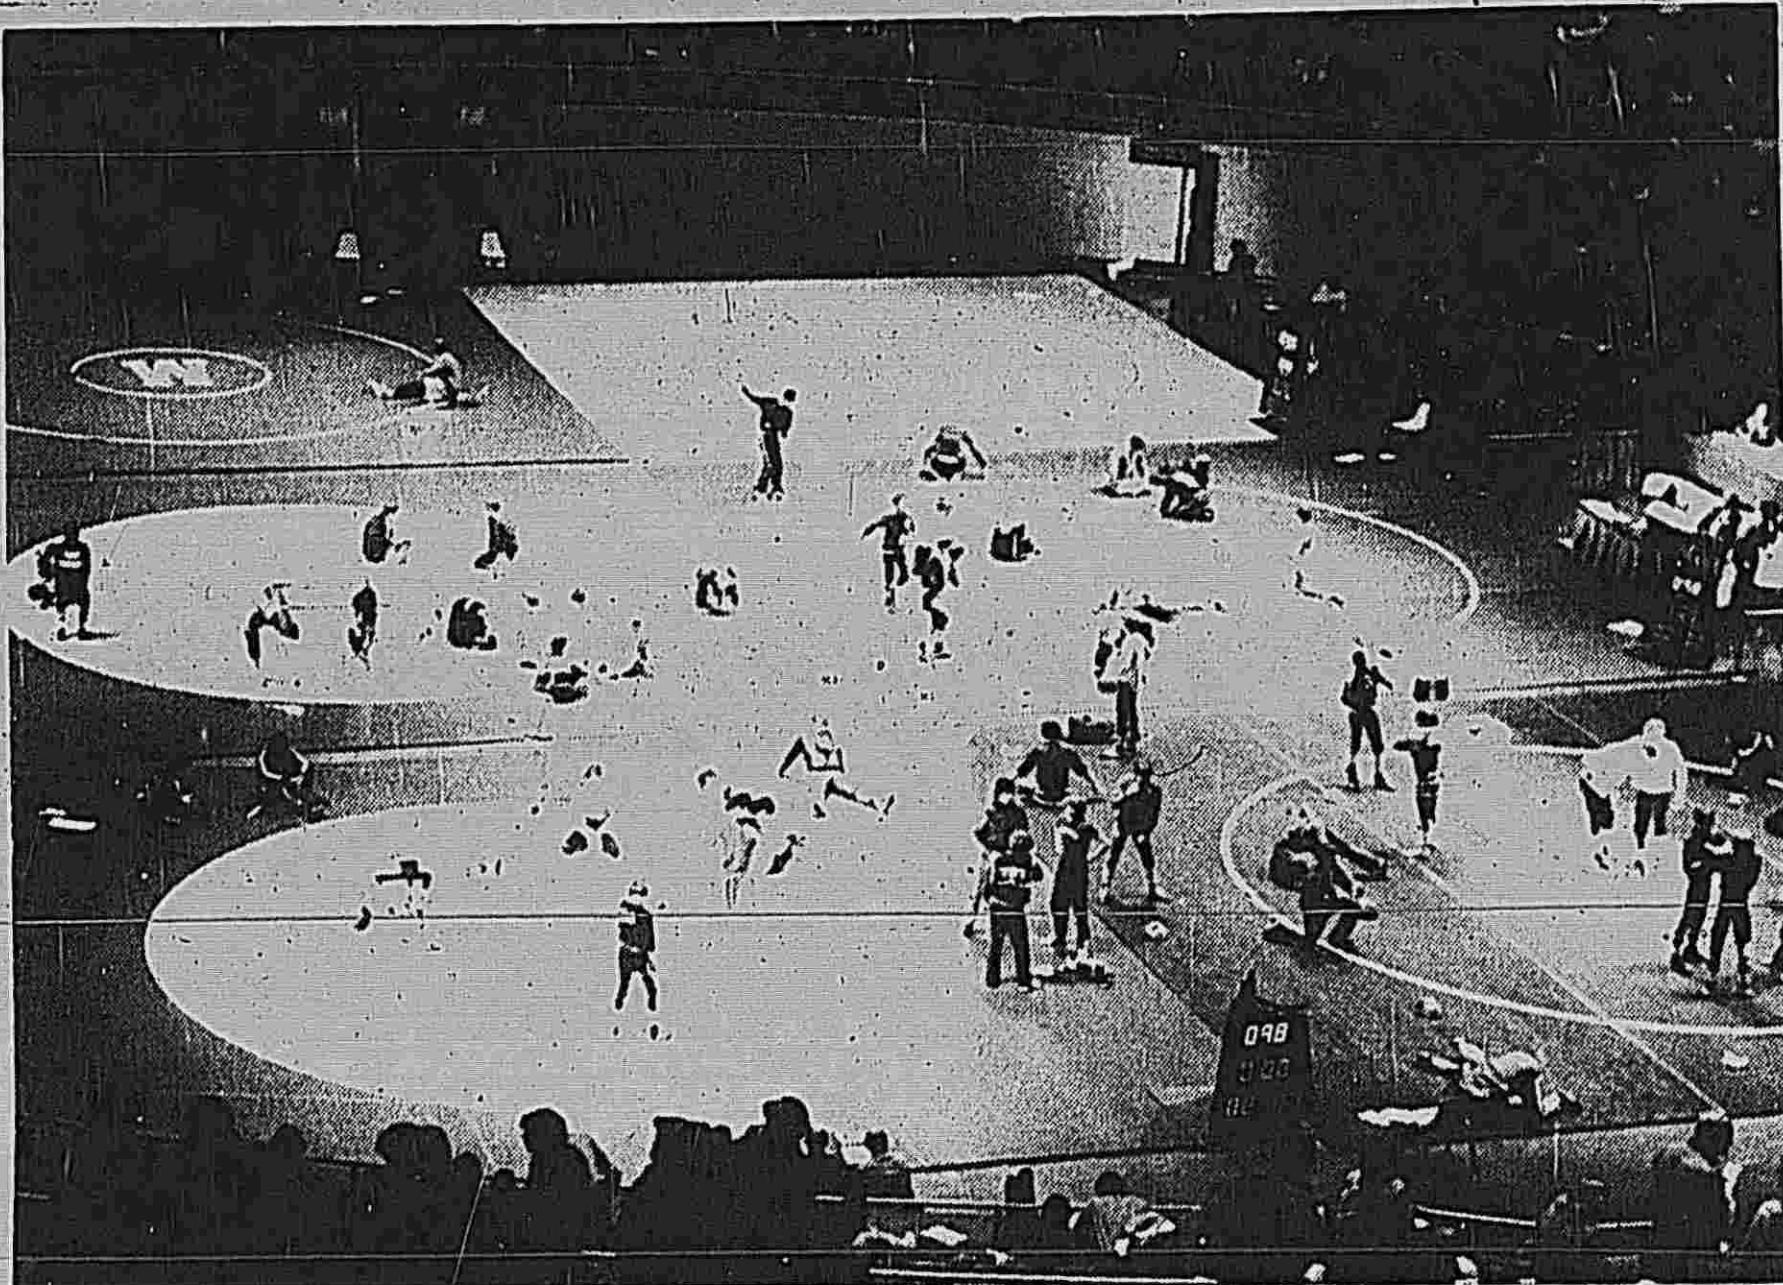

Dubek, Antioch's leading scorer, tied with Tom Novak of Grayslake as the top player in the six-team division.

Dubek, a 6-foot-4 forward with remarkable shooting ability, also was named the top player in the entire 12-team conference.

OTHER MEMBERS of the North Division all-star squad were Novak of Grayslake, Jon Miller and Tim Stanton of Grant, Dave Kolar, Chuck Slocum and Gary Huffhines of Warren, and Todd Schmitke and Ken Pearce of Stevenson. Miller and Kolar are the only juniors who will be back next year.

The top players in the South Division, selected by league coaches and athletic directors, were Brad Anthony of Wauconda and Andy Schwabke of Woodstock.

Others named to the South Division squad were Steve Sherwood and Dave Sroka of Cary Grove, Chris Garlieb and John Schult of Dundee, John Bradshaw, John Schaefer, Joe Scime and Bryan Beth of Jacobs, Brian Jobus of Lake Zurich and Dave Jensen of Wauconda. Bradshaw of Jacobs is the only junior among those 12.

Gibsons 5th, 6th in state

Antioch's Gibson brothers, Jon and Marvin, placed fifth and sixth respectively in the state wrestling championships at Champaign last weekend.

They scored 23 points to give Coach Ted DeRousse's Antioch team 22nd place out of a field of 144 schools.

Jon Gibson, wrestling at 98 lbs., met old foe Mark Verr of Riverside-Brookfield in the first round.

After two periods Jon was leading 9-1, but in the third he was caught and pinned in 4:57.

Verr went on to win his next match, enabling Jon to wrestle back for a place. Making the most of his second chance for a medal Jon pinned two foes. He had to settle for the fifth place match which he won by pinning Rich Hutchings of Oswego in 4:32.

"Jon ends the season with a 48-2 record losing only to Verr, once in a tournament at Christmas and then in the state tournament on a lucky move," Coach DeRousse said.

Jon won more matches (48) than any other wrestler in the state and his three pins ties the AA state finals record.

WINNER OF THE STATE 98-pound championship was Dane Nasenbeny of Joliet, a cousin to Susan, Bob, Gordon and Abby Nasenbeny of Antioch. The Antioch Nasenbeny family moved here from Joliet three years ago.

Antioch's Marvin Gibson, competing his second time in the state tournament, won his first match then met Jerry Kelly of Richards, the defending state champion. The match was close until the third period when Marvin trailed 5-2. With time running out, his only chance to win was to gamble for the pin. Kelly proved to be too strong and scored a reversal and a near fall for a 9-2 win.

Marvin then wrestled back and eventually met Bob Porter of Niles West, last year's runner-up in the state meet, and lost 9-1.

"This is the second year in a row Marvin has placed in the state meet, finishing fourth at 112 as a sophomore and sixth this year at 119. Marvin has won 107 matches in his career and returns next year," Coach DeRousse said.

Mark Kasik wins basketball contest

Mark Kasik of 753 Hillside Ave. won the Antioch News' basketball contest last week, accurately predicting that the Sequoits would beat Stevenson by 12 points. The final score was 71-59.

Dave Gutowski of 489 Crest Lane also forecast a 12-point victory for Antioch, but lost to Mark in the tie-breaker. Mark picked Stevenson's sophomores to beat Antioch's, which they did.

Mark's first prize will be \$15 in cash from Bob's Septic and Cement Service. Dave wins second prize, a \$10 gift certificate at Lyons-Ryan Ford.

THIRD PRIZE in the contest, a \$5 gift certificate from King's Rexall Pharmacy, will be sent to Betsy Houghton, who picked Antioch over Stevenson by 13 points and beat out two other experts in the tie-breaker.

Picking Antioch by 11 were Harry Stewart and Brad Herbst.

Antioch's champs play Grant in District

After finishing with a 16-0 record in their conference, what can Antioch's Sequoits do for an encore?

They can win the district tournament, that's what.

The competition begins tonight (Wednesday) at the Antioch gym with the Sequoits playing Grant's dangerous Bulldogs at 7 o'clock. At 8:30, Grayslake and Round Lake will take the floor.

Tonight's winners return Friday to play for the district championship at 7:30 p.m. Winner of the title advances to sectional play.

LAST FRIDAY THE SEQUOITS toyed with Stevenson's Patriots in their final conference game, then sprinted away for a 71-59 win.

That gave Antioch a 16-0 record in the Northwest Suburban Conference and an 18-5 record for the season. The losses were to teams from tougher leagues, but the Sequoits do own a win over North Chicago, a state powerhouse.

By scoring 30 points against Stevenson last Friday, Antioch's Bill Dubek emerged as the conference's North Division scoring champion. He hit 32, 43 and 30 points in his final three games for a total of 357. That's an average of 22.3 per game.

Grayslake's Tom Novak, who performs here tonight, was second with 329 points. Dave Sroka of Cary-Grove, in the South Division, topped all conference scorers with 377 points.

Brian Andrews, son of Coach Roger Andrews and one of Antioch's all-conference selections, missed a free throw last Friday and that was news. He had a string of 19 in a row - the school record is 25.

Stevenson led early in the game but Antioch rallied and took a 30-28 halftime lead. The Sequoits pulled away to an 8-point lead in the third quarter and were never in trouble after that.

JOHN EDER HAD an excellent second half, dialing for

17 points. Coach Andrews praised Dubek, not only for his 30 points, but for eight rebounds and a good defensive job.

Brian Andrews, as playmaker, handed out 11 assists. Tracy Sodman again did excellent rebounding, collecting 12.

"The team is to be congratulated," Coach Andrews said. "To go undefeated is truly a remarkable feat. A special thanks to the fans who have been so loyal all year long."

Final standings in the North Division were: Antioch 16-0, Stevenson 11-5, Warren 11-5, Grant 7-9, Grayslake 4-12 and Round Lake 0-16.

DUBEK AND EDER were uncanny in their shooting last Friday, Bill hitting on 12 of 20 field goal attempts and Eder on 7 of 11. Between them they swished 11 of 12 free throws.

Tim Huebner made 5 of 7 field goal attempts and finished with 11 points.

ANTIOCH HIGH'S SEQUOITS finished first in the North Division of the Northwest Suburban Conference, winning all 16 of their games. Coach Roger Andrews' team opens play here tonight in the district tournament, facing Grant's Bulldogs at 7 p.m. (Photo by Andy Dugensek.)

CLC board has 2 openings

An election to fill two seats on the College of Lake County board of trustees has been scheduled for Saturday, Apr. 8.

The terms of Eleanor Rostron, chairman of the board, and Robert Hoekstra, secretary of the board, expire this year.

Prospective candidates for the two three-year terms can obtain nominating petitions from Arlene Cederberg in room A101 of the main campus building in Grayslake during regular business hours, 8:30 a.m. to 4 p.m. Monday

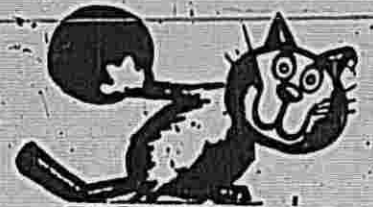

through Friday.

The first day for filing petitions was Feb. 22; the last day is March 17.

Candidates must be at least 18 years old, an American citizen and a resident of the college's

district for one year or more.

Information about the election can be obtained by calling Peter Bakas, vice president for business services, at 223-6601, ext. 200.

Insurance agents are honored

Four Country Companies insurance agents in Lake County have qualified for the companies' prestigious 1977 Super All-American team.

Qualification is achieved through outstanding life and health insurance sales for the year. It is one of the highest company honors an agent can receive. The local men are among 187 agents and agency managers in Illinois to be so honored.

Achieving the honor in Lake County were Gerald Vander Meer, manager of the Lake County agency, Walter J. Frick, Thomas A. Sislow and Robert D. Graham.

The Country Companies consist of Country Life, Country Mutual, Country Casualty and Mid-America Fire and Marine Insurance Companies, CC Services, Inc., and Country Capital Investment Fund, Inc.

Why Pay More Than Necessary When You Finance Your Next Car? It's too bad, but most people do.

The reason: banks, finance companies, and most other lenders typically calculate interest in advance when you sign up for the loan. So, you pay interest on the entire amount you finance, regardless of how quickly you pay it back.

But with our revolutionary new Simple Interest Loan, interest is calculated daily and only on your outstanding balance. This means you can save significantly if you pre-pay or pay off the loan early.

Let us make your hard-earned money work harder. Ask us about our Simple Interest Loan.
